

# Corflute Signage

Corflute is a corrugated plastic material, also known as corriboard. It is a rigid and flat substrate which is low cost but high-quality.

## 01 PRODUCT USAGE

Corflute signage is a great way for you to advertise your brand, be able to deliver messages or provide signage both in indoor and outdoor environments.

- Retail (such as sales signs, parking signs and staff signage)
- Government (including election campaigns)
- Real estate advertisements
- Construction industries (including excavation and demolition)
- Councils (such as safety signs, security signs and community information message signs)
- Events and festivals ( including gate signs, trade stalls, amenities)
