

# Polyester Mesh

Polymesh is a great lightweight solution for short term branding or event promotion.

## 01 PRODUCT USAGE

Often used to create visual impact over barriers and as back-drops at events, Polymesh offers a cost-effective way of branding events of any size:

- Indoor & outdoor events
- Attach to temporary or permanent fences
- Crowd control barrier covers
- Stage backdrops
- Speaker stack covers
- Finishing line banners
- Hanging banners
- Stadium banners or flags

## 02 PRODUCT BENEFITS

Lightweight, versatile and great print quality are just some of the benefits of choosing polymesh for events and short term branding opportunities.
